## Excitement Such

Has not been seen in Wichita for many a day as the Famous Closing Sale has created this week by their final price slaughter. I am giving the remainder of my stock at your own price. Abe Lincoln's old saying, "You can fool all the people some of the time and some of the people all the time, but you can't fool all the people all the time," is demonstrated here every day. Don't think that people are not judges when you give them \$2 for \$1. That's what I'm doing now on every article. It's the quality, make-up and price which has caused the excitement and moved this \$40,000 stock of goods out in this short time.
